AN ORDINANCE AUTHORIZING THE MAYOR TO ENTER INTO A THREE (3) YEAR SPONSORSHIP AGREEMENT WITH PARMATOWN ONE, LLC, FOR USAGE AND PAYMENT FOR THE COMMUNITY CONFERENCE CENTER, AND DECLARING AN EMERGENCY

Motion made by Councilman Brennan, seconded by Councilman Day, to adopt Ordinance No. 67-07.

Councilwoman Galinas - Asked for a clarification as to who would be able to use this facility.

Mayor - Stated that he did not have the packet in front of him that they had distributed last week that went through a lot of the details. Stated that the City is guaranteed so many hours pursuant to this sponsorship agreement whereby the City can use it for any of their functions. The use of any organization or the City is credited against those particular hours.

SECOND READING SUSPENSION:
(ORDINANCE NO. 67-07 CONTINUED:)

Law Director Dobeck - Stated - the Mayor is correct with the number of hours we have. Late in the week, there was some discussion with Parmatown and the language was more along the lines that any department or agency of the City would be permitted to use the facility. So, it really must be a City affiliated department or agency.

Councilwoman Galinas - Asked about the cost for individuals.

Recreation Director Vittardi - Stated - As Law Director Dobeck had mentioned, there is a limited paragraph as far as the usage of the room that the Mayor referred to that would count against the City's bank of hours, so to speak, and that paragraph basically states "pursuant to the sponsorship agreement entered into by and between Parmatown One LLC in the City of Parma, the use of the Parmatown Conference shall as now designated by the City of Parma be solely limited to the events and/or functions of the City of Parma, its departments and agencies. Basically, as the Law Director mentioned, that encompasses specifically our City departments and, in particular, our Recreation Department. In the move from the Shaft Community Center to Parmatown, obviously advantageous to the Recreation Department was the entire use basically of the Shaft Community Center for meetings and different functions of that sort that we have throughout the year that we have in our Recreation Department. So enabling us to use the Conference Center, which is located right next door to the Recreation Department, enables us to have a number of our meetings whether they be league meetings, coaches meetings, things of that nature. So, that is very beneficial to us at the City. As far as the rate that is being charged, a general overall view basically \$75.00 up to four hours usage and \$150.00 up to eight hours usage. That is a general guideline that they did come up with.

Mr. Germana - Asked if there is any reason why this wouldn't be on a regular purchase order.

Auditor Kish - Probably because it is towards the end of the year. A lot of P.Q.'s and blankets are closed out, even though the expense may have been incurred in the prior year, the bill comes in afterwards, we, by law, have to close out blankets and that one fell into the gap.
